Hi All,

Well once again, another very successful All Breeds show, a very big thankyou to Sam for doing a wonderful job, yet again, and to all the other helpers. We were blessed with perfect weather, except for a little drizzle on the Friday, which made for a great time all round. Also a big thankyou to all our sponsors and stallion owners for their contributions towards the show, without whom it wouldn't have been as successful as it was. For a more detailed report on the show please see Sam's Show report on page 3.

Annual General Meeting & High Point Awards Night

We will be holding our AGM & High Point Awards night on the 29th October at 6pm at the Cricket Clubhouse at One Mile Oval. All management positions become vacant at the AGM, so please get your nominations in by the 8th October. **Please** consider nominating for a management position, even if it's only on the sub committee, as the present committee are all getting very tired and a little help wouldn't go astray. We have all been in these positions for a number of years, the club has increased in size from an average of 40 members to over 100. Assistants to the Show Secretary, Secretary and Treasurer would all be a great help and would ensure the smooth running of the club and it's continued success. There will be Roast Chicken provided by the club, ladies please bring a plate. Please RSVP to Sam or myself by the 25th October for catering purposes. If you have anything you would like to put on the agenda, please send to me at Email: gdwpcinc@bigpond.com

Sam's All Breeds Show report

Hey Hey Hey – It didn't rain(well very much anyways) at Nambour for this show .First time this year...lol wasn't even as cold as usual... only went down to 3 degrees...

The numbers were a little down this year but with the way the economy is and the people worried about Hendra Virus it wasn't too bad at all. It was wonderful that we had an American judge this year and her steward also came all the way from America. Two nicer ladies you couldn't have met. Easy to talk to and happy to answer any questions that we had. I only heard nice things about her and her patterns. The trails had an awful lot of poles but was very interesting to watch. For any who were wondering as to why she walked the course with each run, is that in America they normally sit high up on chairs to be able to see the whole course. (Well I asked the question anyways).

The show ran well on time and we even got to finish a little early this year...lol . It was nice to see more Appys this year but a shame about the lack of Halters in general. It was great to catch up with most of the usuals and to meet a few new competitors as well. The new caterers were great and will be back for all of the bigger weekends in the future. All dates have been set for next year , just the judges to book, so look forward to seeing you all next showing season.

Sam
