Hi All,
 Wow, what a wonderful start to our show season, with our first show for the year being held on the 12th & 13th February. We were blessed with lovely weather on both days, with over 60 horses competing. The Western Pleasure Classic was won by Ken Davison, riding Petra Cooke's lovely filly, 'Hot Blazing Sally', who took home the Buckle, prizemoney and a lovely garland. A big thankyou to all our generous sponsors, without whom we wouldn't be able to put on such a great event. See show results on page 4. Thankyou to Marg Oakden, Wendy Samain & Sam Calvert for the photos of the show.

Don't miss the second round of shows in our 'Buckle' series, on the 19th & 20th March. The 'A' show on the Saturday is a double judge show with Kerris Holtzberger & Lorelei Payne judging in the main ring, with Royce Holtkamp & Bob Sim judging the trail. Royce Holtkamp and Susan Maxwell will be judging the 'AA' show on Sunday.

Don't forget to get your tickets in the Farm Cart which has been kindly donated to us by Greystone Australia, tickets are only \$2 each, you can contact Sam or Jo to purchase or just buy them when filling in your nomination forms, it's a great prize to win. It will be drawn at our May show.

Half Price Stallion Service Sale

The Half Price Stallion Service Sale for 2011 will be up and running as from the 1st April, when services will be available to purchase, you will find the new list of stallions on page 12. We have quite a few new stallions on the list plus some that have been on previously,

all of which are great value at half their advertised service fee. This sale is a fundraiser for our 2011 Qld Western Performance State show in August, so if you are intending to breed a mare this year, consider buying a service from the club.

I'm still looking for more stallions to add to the list, if you would like to donate a service to your stallion, or to purchase a service, please contact me on ph 54828146 or email:gdwpcinc@bigpond.com

Please note: Mares must be in good condition and are subject to the Stallion Owners approval, the service must be used during the 2011 breeding season. All contractual agreements, i.e. guarantees, handling/agistment fees etc. are solely between you and the stallion owner. Please be aware that these services have been kindly donated by the stallion owners so please do the 'right thing' by them when breeding your mare as without the support of the stallion owners the club would not be able to put on such a high profile All Breeds show.

Reminder

When showing at Nambour please remember to place your manure in the bins provided, otherwise it is left up to one of the committee or helpers to clean up and we already have more than enough to do. Also, please place all rubbish ie. drink cans etc. in the rubbish bins provided (not the ones marked 'manure'), and not thrown on the ground for someone else to pick up. Thanks.

Clinic

The club will be holding a Marilyn Randall (USA) clinic on the 8th August (Monday after the All Breeds show), please see page 14 for more details.

Please contact Myley on Ph 5486 6726.

Happy Birthday to the following members who are celebrating their birthdays this month.

Show Secretaries Report

Hi To All,

What a good turn out for our first shows for 2011 as well as Part 1 of our Buckle Series. Despite all that has happened to Queensland over the last few months , it was good to see you all again and the true spirit of 'just get on with it'

Saturdays 'A' Show had a few extra Paints out there getting ready for the Paint Nationals, and hope all goes well for you in Tamworth. The 'AA' show on Sunday was still holding its numbers with a great turn out for the Western Pleasure Classic. The Buckle went to Ken Davison, winner of the event aboard Blazing Hot Sally for owner Petra Cooke. Thank you to the sponsors of this event, Ken Davison Training Stables, for the buckle , Maco Media for the lovely garland supplied by Sams Garlands, ACA Loans(Sydney), Melissa Cowan(USA) , Highly Strung – Eumundi and the GDWPC club.

Other sponsors for the weekend were Southern Cross Saddlery for the Buckles for the whole series and the 3 special events at the 'AA' shows, Mitavite for bags of feed, Caribu Horsewear, Natural Equipment , Mamma Mia Horse Stud, JB's Paint Stud, Maco Media, 2B Quarter Horses and Eumundi Business & Photo shop.

Thank you Robyn Fidler- Sundown Caterers, for the great food for the weekend, a big thank you to Linda , Danielle and Bear Taylor for the BBQ Dinner, To Glenys, Sharon and Andrew as well , for gate marshalling over the weekend. Thank you also to Jane , Rebecca , Sam And Phil for helping with all of the jobs that help to make the shows run. Who can forget Kerris for announcing and keeping us all amused(not sure if that is good or bad...lol). To Jo, Nina and Chris in the office, without them the shows won't run and you won't get your prize money.

The Points for the High Point Buckle Series will be up soon.....

P.S... I still need help with the March Shows, if anyone can help at all, it makes the shows run quicker with more hands.. but as always it gets left to the few, and we won't stay forever.....I don't bite you know ... PLEASE HELP.....

Ta muchly Sam

Absolute stunning Quarter horse. I no longer have time for him, he is in excellent condition, wormed every 3 months and shod every 6 weeks. His last show was the Gunalda western performance in nambour at the start of February only 3 weeks ago, my sister rode him and she was over the moon with him, they got a 1st in walk jog, 2nd in beginner pleasure, 1st in improver horse, 1st in halter, this was his first show since October 2010. He is not for the compete beginner because he was a stallion for quite some time, he has now been gelded for 3 years this July. He is trained in Western Pleasure, HUS etc., has 84 AQHA points, ROM in halter and superior horse in halter. Was broken in and shown by Rod Duddy in his younger years and just spent 2 months (Aug & Sept 2010) with Ken Davison.

NEWS FLASH!!

Urgent Notice: Potential Danger of Horse Hair

This is a public service announcement...
In a press release today, the National Institute of Health has announced the discovery of a potentially dangerous substance in the hair of horses. This substance, called "amobacter equuii" has been linked with the following symptoms in females:
Reluctance to cook, clean or do housework.
Reluctance to wear make-up, good clothes or heels.
Reluctance to spend money on home or car repairs until after "baby has new boots, pad, blanket, tack, grain, hay & supplements".

"Amobacter equuii" usually results in long hours away from home and exhaustion which may lead to a loss of physical contact with other humans (especially husbands).

"Amobacter equuii" is thought to be addictive, driving the need for additional sources - this may lead to a "herd mentality" or like the potato chip commercial, "you can't have just one".

Beware! If you come in contact with a female human infected by this substance, be prepared to talk about horses for hours.

Surgeon General's Warning: Horses are expensive, addictive, and may impair the ability to use common sense.
