Hello Everyone,

This is the last newsletter for 2010, my hasn't this year flown! The club held it's last show for the year on the 4th September, numbers were down but everyone had a great time. Thanks to our Judge for the weekend, Sam & Nina in the office, and everyone else who helped out on the day. Unfortunately the shows on the 5th September and on the 17th October were cancelled due to the wet weather.

AGM & Awards Night

We held our AGM and Awards night on the 23rd October, Kevin Moroney has stepped down as President and Jane Large has taken on that position. We still need helpers, especially someone who could do the minutes at our meetings and someone to take on the position of assistant Secretary/Treasurer, so if you are interested in helping out at all, please contact any committee member.

PRESIDENTS REPORT FOR AGM 23RD OCTOBER, 2010

Well it's been another successful year with a lot of challenges. It was such a wet start to the show season, but thanks to the dedicated competitors, committee and helpers, we made it through.

Due to work commitments from July this year, I couldn't be there for the rest of the show season, so I must give a big thankyou to Myley Horley, who had to step up to take my place.

I want to also thank the rest of the committee for doing such a great job, with the shows getting bigger, it has put extra strain on them and their time.

Thanks to Sam Hargrave for stepping in to do the minutes when Pheobe resigned. Sam did a great job and thankyou to Lyn & Bear Taylor who do a lot of work behind the scenes and prepare a fantastic dinner for us all.

I feel the club will keep getting bigger and better with the great team on the committee and the strong, continued support of competitors & their families.

Again, thankyou to everybody who helped out over the year and "may the horse be with you."

Kevin Moroney
President

Treasurers Report

We have had successful clinics and well done to all who attended. I would like to thank everyone who has helped out in the office and at the shows in any way, as it is all a help. We would love for more help before during and after the show is finished, to help set up, run and dismantle the show. If more do a little it means the few can enjoy more of the show too!!!

I thank particularly Sam Calvert for all the hours she puts in. We are often talking at a ridiculous time of night trying to suss out the programmes and different things to make each show better! We do need to get out more!! But, without her to bounce things off we would not have such a great show programme and I would lose motivation to keep on thinking up new approaches and ideas, so thanks Sam, you are a fantastic show secretary.

Jo

Show Secretary's report

I would just like to thank everyone for their help thru out the year with the shows. Please have a look at the new programs for the Feb, March and May shows. Please note that the A shows for these weekends are going to be Pre nominated. And that we are now going to be paying prize money for all classes at the AA show , the Halter futurities are now Jackpotted and we now have 12 buckles up over the 3 big weekends.

I would again like to thank Jo and Chris for all of the hard work they put in, with my many phone calls and ideas at the drop of the hat.

Sam

Bear's Joke

A married couple are driving along a highway at 90k an hours with the wife behind the wheel. Her husband looks across at her and says, I know we've been married for 15 years but I want a divorce. The wife says nothing but increases her speed to 100k an hour. The husband says I've been having an affair with your best friend and she's a far better lover than you. Again the wife stays quiet, but grips the steering wheel tightly and increases the speed to 110. He says I want the house and I want the car as well. I'll have the bank accounts all the credit cards and the boat. The wife increases the speed to 130k an hour and veers towards a massive concrete bridge. This makes him nervous, so he asks, is there anything you want? The wife at last replies in a quiet controlled voice, I have everything I need. oh really he says, so what have you got? I've got the air bag.

Mighty Little Honey Bar

Sire: Cayuse Faithful Few

This 2 year old filly is being offered for sale due to no fault of her own. She is way too nice to waste in a paddock. Honey is an extremely pretty appaloosa with dorsal strip and leg barring. She has a beautiful natural quiet nature. Her unusual captivating colour really stands out. Nothing seems to faze her. She lays down and you can crack whips all around her, she has also been known to go to sleep during this. She has had a saddle on a few times. She is ready to break now and it won't take much to break her in to ride. She has been to a couple of local shows in halter and has taken it all in her stride. Easy to clip (ears and all), loves a bath, no problems with floating, has been getting her feet done every 5 weeks since a weanling. Just loves being with you and is very inquisitive.

Will make a great riding horse. Her sire (Cayuse Faithful Few) is extremely quiet and is a great reining horse. Will mature to approx 15hh. Other photos available. Call 07 41 214796 a/h or 0418 882 379 for more info. Price \$3,500
